

Dear CT Elections Committee, I am writing to oppose SB 184 & HB 5262, changing the wording of what constitutes a reason to vote by absentee Ballot without a vote of ALL CT residents is wrong. We have all seen the disaster it caused in 2020 & 2021, and if you're going to change the voting rules in CT, as a tax payer in this state, I don't want to see money wasted on mailing UNSOLICITED ballots to every name on the voter rolls. I think we can all agree the pandemic is over & the mass majority of people in CT over 18 are vaccinated, there is no excuse to change the reason to send out mass ballots, as ALWAYS, registered voters can request one, be verified as having a legitimate reason & get sent their ballot. CT voters deserve FAIR & HONEST elections & we demand it. If you want to move towards allowing mail in ballots, come up with a plan to ensure the security of it & sell it to the voters! Then allow We the People to vote on it, as it should be!

It is my wish that these 2 bills be scrapped until you have a plan to ensure CT voting integrity.

Thank you,
